NEW TARIFF FEES

Effective immediately, 6.5% tariff fees will be reflected in our general pricing and affects only those products coming from countries such as Columbia, Costa Rica, Ecuador, Holland, and Thailand.

LWFI is committed to supporting U.S. farms and growers by sourcing products like California flowers and Florida greens, and this new tariff will not apply to these products. Should current tariffs be removed or reduced, we will adjust pricing as quickly as possible.

*As always, we appreciate your continued support and loyalty.*
